# Ministry Message

On the **8th to 11th September**, Blackburn Diocese will be holding a **Crossroads Mission** weekend. This is an opportunity for us as a diocese to unite in locally organised mission, working alongside the Archbishop of York, John Sentamu and 15-20 bishops of the North. The essence of Crossroads is local churches engaging in local mission and **The Right Revd Frank White, Assistant Bishop of Newcastle** and his team are coming to our deanery to support our events.

**The Right Revd Frank White** became the Assistant Bishop of Newcastle in 2010 after eight years as Bishop of Brixworth in the Diocese of Peterborough and before that his ministry was in his native North East for over twenty years. Bishop Frank, prior to his ordination in 1980, was a youth worker on the streets of Manchester City Centre and identifies these years as key in the formation of his ministry. He is married to Alison, recently made Bishop of Hull, and soon after Crossroads he will be retiring and joining her as she continues her episcopal duties in York Diocese. He has a great love for bird watching and is a keen football fan, hoping that Newcastle will do better things in the Championship.

**The Revd Canon John Sinclair** is the Diocesan Evangelism Adviser for the Diocese of Newcastle and a Residentiary Canon at Newcastle Cathedral. Canon Sinclair became a Christian when he approached the local church to arrange his marriage to Gill. They have 4 grown up children and 5 grandchildren. He works across the diocese of Newcastle helping parishes connect with their local communities, as well as ministering in the Cathedral. He loves meeting new people and is energised by sharing God's love in word and action.

**The Revd Captain Steve Dixon** is an Assistant Curate at All Saints' Church, Gosforth in the city of Newcastle upon Tyne and was ordained priest at Petteride this year. Prior to his ordination he spent many years as a Church Army Pioneer Minister leading a Centre of Mission in North Tyneside. Revd Dixon's passion is mission and he is Chair the Diocesan Evangelism Task Group. He enjoys engaging with those who have no church connections and those on the fringes of church. He has a broad experience of different church traditions and fresh expressions of church. Revd Dixon is married to Clare and has two teenage children, and to relax he enjoys cycling and volunteering at the local Aircraft Museum.

**The Revd Beth Rookwood** lives and serves in the parish of Morpeth as an Ordained Pioneer Minister. Revd Rookwood spends a lot of time in the community having conversations with people about God and encouraging churches as they develop the ways of sharing God's love. Revd Rookwood's background is in youth ministry, and she is particularly keen to work with unchurched young people & young adults. To relax Revd Rookwood loves being outside, seeing friends & eating roast dinners.

## Ministry Message cont.

**Ms Izzy McDonald-Booth** lives in the suburbs of Newcastle and worships at St George's Church, Jesmond along with doing trustee and volunteer work in the neighbouring parish of Byker. Ms McDonald-Booth is part of the Evangelism Task Group for the diocese which involves helping parishes engage with growth. Her day job involves managing the retail offers, buying products and art works to sell at the National Glass Centre, a visitor attraction and part of the University of Sunderland, whilst also helping in the University Chaplaincy.

**Mr Stephen Ramshaw** is a Pioneer Evangelist with Church Army, based at Willington Quay in the Diocese of Newcastle. Mr Ramshaw's background in the construction industry has given him a passion to reach out to ordinary, everyday people especially those living in some of the most deprived communities in the country. He has just completed his first year in his post at St Paul's Church, Willington Quay after four years of training with Church Army. Mr Ramshaw is married to Lynn and has five children and seven grandchildren.

In addition to the events organised by our church, the team from the Diocese of Newcastle will be working across our Deanery in the following ways:

- On **Thursday 8th September** there will be a Mass at Christ Church, Carnforth for Deanery clergy, Deanery synod members, PCC members and Vision Champions.
- On **Friday 9th September** the team will be visiting various primary schools to lead assemblies and host question and answer sessions
- On **Saturday 10th September** the team will be at a Community Coffee Morning in Silverdale, a graveyard tidy at Yelland Church, a heritage day at St Wilfred's Church, Warton and an Alpha Reunion supper in the East Lonsdale Benefice.
- On **Sunday 11th September** the team will be helping at worship services throughout the deanery.

All are warmly welcome to the Crossroads Commissioning Service in Blackburn Cathedral on **Thursday 8th September at 2pm**. The Crossroads Weekend will finish with a Celebration at Preston Flag Market on **Sunday 11th September at 4pm**. All are invited to join with **Archbishop John Sentamu** and people from across Lancashire for a celebration of the Christian Faith. There will be music, drama and an inspiring message of hope from the Archbishop.

## Holy Trinity Church Raise the Roof Open the Door Round Two Application

The three tenders have been evaluated and a preferred contractor identified. The second round application has been made to the Heritage Lottery Fund. The assessment of applications can take up to three months; we're keeping our fingers crossed for a favourable result.

Since the last issue of The Messenger we have:

- Recommended a contractor and a total project cost of £330,323.
- Been advised by the contractor that the work would take 6 months to complete the work
- Received confirmation that there are no bats roosting in the roof space, therefore we do not have to apply for a bat licence.
- Received confirmation from the Blackburn Diocesan Advisory Board that the faculty was passed by the Chancellor
- The contractor has advised us that the whole of the North Aisle will be scaffolded during the repair, with minor scaffolding required in the Nave area.

### Next Steps

We await the deliberations of the Heritage Lottery Fund and if successful we will award the contract.

The team with delegated responsibility for the Project consists of **Karen Hillis, John Lane, Rob Daunt, Jim Mackison** and **Brian James**. Please do not hesitate to contact any member of the team for further information.

## News from the bookstacks in Bolton-le-Sands Library

The summer holidays have been a busy time with staff promoting the Lancashire Reading Journey – a chance for children and families to enjoy all types of books, stories, and reading, and get a chance to visit local places. This adventure carries on until Saturday 24th September, so there's still plenty of time to pop into your local library to find out more and get started, or complete the final few challenges. The library walls are getting covered with children's artistic creations as they write reviews and draw pictures of their favourite book characters – pop in to see what they have been up to.

With visits from mini-beasts for an animal-handling session, and wizards creating amazing spells, the library has been wonderfully busy place this summer. Thousands of Lego bricks arrived on one day for all the builders of Bolton-le-Sands to let their imagination run wild and build some amazing creations.

For September the library is looking forward to Global Link bringing their digital stories of local traveller families to the library, and on **Friday 30 September** (10.30 – 12.30), there will be a Coffee morning with NHS staff here to help people find out about practical tips to prevent falls and look at how making even small changes can help general health and wellbeing. All welcome.

Regular activities include: baby, bounce and rhyme at 9.15am on Monday mornings, toddler rhyme time on Monday's at 2.30pm, scrabble on Friday's at 10.30, 'crafternoons' on alternate Fridays, family history, computer help, and a monthly reading group. Everyone is welcome. As always, if you would like any further information then pop in to the library – further contact details are below.

## Blackburn Diocese Youth Mission to South Africa

On **Friday 29th July**, I flew out to Bloemfontein, South Africa with the Diocese of Blackburn Youth Mission Team to do two weeks of mission work in Bloemfontein. The trip was aimed at celebrating 50 years of the Diocese of Blackburn being linked with the Diocese of Bloemfontein, whilst making a positive impact in the community, especially in the townships of Bloemfontein.

The first week was mainly made up of project work, where the team was split up into four small groups. Each group did different project work each day. For me personally, I started off on the first day going to Sunflower House, which is a children's hospice aimed at helping children who have HIV and other illnesses/injuries. On the second day, I was working at Tower of Hope, which is a church specifically set up to help the homeless community in Bloemfontein. The work included sorting clothes into piles to give out and running a soup kitchen. This was followed by a prayer walk in the evening, where we walked through the streets of Bloemfontein talking about and praying for different parts of Bloemfontein and for activities which go on in the city. For the last two days of project work, I was working with a charity called Mosamaria to help a family of five improve their living conditions. This included building an extension onto their shack and clearing the land around them to dig vegetable gardens to allow them to grow their own food.

For the second week we went into schools and churches running games and activities. We also ran spirituality sessions at some of the schools, focusing on the theme of how we can all worship in different ways and styles but still worship the same God. Throughout the two weeks we met with several youth groups and organisations in the evening. With the youth groups we built friendships and links by sharing pizza and braai whilst playing games and taking selfies.

Overall the two weeks was a fantastic experience which was spent with an amazing group of people. I would like to say a massive thank you to everyone who supported me with my trip to South Africa and look forward to talking about the trip in church.

## Floral & Horticultural Society

The Bolton-le-Sands Horticultural Society held its 88th Annual Summer Show on **August 13th** at the Community Centre. The show was opened by **Bill Blackledge MBE**, horticultural expert, college tutor and radio broadcaster. In judging the exhibits, Mr Blackledge said that he was amazed at the number and quality of exhibits. This year, the number of exhibits was even greater than last year. Despite a poor start, it had been a good season for growing fruit and vegetables.

Mr Blackledge was presented with a bouquet of flowers by Jessica Crabtree, aged 6, who was also the winner of the Miss D Orr Challenge Cup for most points in Children's Classes (aged 2-6). The Mrs J Withington Challenge Cup for most points in Children's Classes (aged 7-11) was won by Amelia Mawtus, aged 8, who also assisted in the running of the auction at the end of the show. The auction was conducted by **Mike Craddock**, Vice Chairman of the Parish Council, and raised about £90, half of which will go to this year's designated charity, The Lancaster Canal Trust. Show Secretary **Louise Belcher** thanked Mike for his help, and also thanked the many unsung members of the Society's committee for their hard work in bringing the show together.

Thanks also went to the ladies of the WI who staffed the kitchen, and served tea and cakes throughout the afternoon.

# Buttons & Bows

Although our group officially has not had a work session during the summer months, our ladies have continued to produce children's garments. We have been able to send items out to Malawi and collect gifts for shoe boxes, plus giving comfort blankets and baby hats to local hospitals. If you would like to use your skills in making clothes for babies and needy children you would be made welcome at our first work session on the **6th September**. We meet on the first Tuesday in every month at 1.30 - 3.30. Venue; Mawson Room, Memorial Hall, Slyne-with-Hest. The group have ladies who enjoy being creative at home. # Quiet Day at Hyning Hall

Some of you may wonder what we get up to on a Quiet Day at Hyning three times a year. Firstly, it isn't quiet all day. We congregate for coffee from **9.30am** and then have our first talk, given by **Sister Michaela**. There is space for private reflection before attending midday office in the chapel with the sisters. Following a delicious lunch and fellowship together we have our second talk by **Sister Michaela**, and we end the day with tea and homemade cake.

There is always time during the day to find a quiet corner in the beautiful grounds or in the house, as well as the opportunity to purchase cards or books from the small shop.

In June this year nineteen of us attended, when **Sister Michaela** spoke inspiringly on prayer. Our next visit will be on **20th October** so why not think of joining us?

Details will appear in the next edition of Messenger.

**Sue Young**

# Confirmation

The confirmation service this year will be at **Holy Trinity** on **Sunday 16th October**. There will be a series of 6 preparation sessions on Wednesdays from 5pm at Holy Trinity. Young people from Year 6 age onwards who are interested in being confirmed this year should contact **Revd Nancy** before the first session on **Wednesday 14th September**. Adults who are interested in being confirmed should also contact Revd Nancy as soon as possible.

# Children's Society

Please hand in your boxes for emptying now. Many thanks to those who have already done so - the Society very much appreciates the support you give in this way. If you have any problems regarding your boxes, please contact me and I will gladly help.

## Mothers' Union Update

**Mary Sumner Day** was celebrated at Blackburn Cathedral on **August 9th** with each branch invited to process with their banner. I am delighted to say that our Deanery, although small, had each of the four branches represented in the parade. I went with the branch leaders from Silverdale and Slyne with Hest and **Susan Room** from our branch. We arrived early as we had to rehearse with the banners so we were in time to visit the lovely new Northcote restaurant at the cathedral, where Susan very kindly treated us all to tea and scones. The service began with the Mary Sumner hymn and we set off to parade the banners. It was quite spectacular to see all the different banners and apparently the Mothers' union choir in the choir stalls had a magnificent view.

**Archdeacon Michael Everitt** led the service and during his address spoke of his involvement with Mothers' Union from a very early age through his mother who was a member before he was born. He also pointed out that there are few organisations in the Diocese who could pack the Cathedral on a Tuesday evening in August as we did!

The choir sang John Rutter's anthem "For the beauty of the earth" which was very moving and as we made our way back to the car we all felt that we had experienced something really special as so many of us gathered to celebrate Mary Sumner Day.

Another successful luncheon at Morecambe Golf Club was enjoyed by about fifty people. As ever the sun came out and the food and service were excellent. Thanks to those who organised it and helped members without cars to get there.

The **Crossroads Mission** is getting nearer and there will be lots more information elsewhere in the magazine. Mothers' Union will be providing a lunch at the back of church for **Bishop Frank** and his team who will be visiting the Tunstall Deanery. Many thanks to those who have already offered food and donations and there are lists up at the back of church for any members who have not yet signed up. It would be helpful if you could also indicate if you will be at the lunch to help with catering arrangements. Unfortunately, the lunch is for MU members and the Mission Team only. Please remember to wear your badges!

Please note that we will no longer be using the Old Boys Grammar School for our Coffee Mornings. There is an issue with accessibility so in future we will hold our **Coffee Mornings** at the back of church or the Village Hall. Our next one is on **October 5th** & will be held after the 10am Eucharist.

Our committee structure may be changing slightly in the future with maybe fewer members but a separate group who will occasionally lend a hand with giving out magazines and so forth. Please check the Mothers' Union board at the back of church.

Our next meeting will be Opening Service at Holy Trinity at 2.00pm on **Wednesday September 21st**, and our speaker will be **Christine Maidment**.

**Kath Lane** Branch Leader

## St. Mark's Nether Kellet

### Notes from St Marks

During July, whilst **Revd. Nancy** was away, we were pleased to welcome **Pat Allen** back to lead our services. On one occasion she was joined by **Jo Fitzgerald**, who has just completed the Occasional Preachers Course. Congratulations, Jo, and we hope that you will join us again soon. Thanks you to them both, and also to **Alan Hutchins** from Over Kellet, who also led some of our services.

It seems a long time since we advertised our village Field Day in June, but I can now report that we were lucky with the weather, had a very successful afternoon, and raised over **£2000**. Thank you to everyone who attended, and I'm sure an enjoyable time was had by all.

At this time, many young people in the parish will be facing big changes in their lives. Many, like Toby, a faithful member at St Mark's, will be taking the next big step in their school lives, while others will be moving further afield to university or further education. We wish them all the very best and will keep them in our prayers, asking God to guide them and keep them safe on their chosen path.

# UNITED REFORMED CHRIST CHURCH

100

**Marjorie Turner** celebrated her 100th birthday with family and friends at an Afternoon Tea Party at Bolton-le-Sands United Reformed Church Hall on **3rd July**.

She was born in Carnforth to Edwin and May Penswick, but her father was killed in France in the First World War in April 1917.

Marjorie attended the Church School at Carnforth and Lancaster Girls' Grammar School. Her mother May was a talented pianist who at one time had a small dance band, so Marjorie grew up with a love of Dancing and singing.

She lived in Bolton-le-Sands for several years as a girl with her mother and stepfather Norman, and during this time made many friends in the Girl Guides. Later they lived in Morecambe where Marjorie loved to dance, especially at 'The Tower', and she was a keen member of Morecambe Warblers and Archie Collis' Wartime Concert Party. A number of pictures taken throughout Marjorie's life, including one of her with Morecambe Warblers and of her other musical days, were on display at the party.

Marjorie worked for the railways, mainly at the District Engineer's Office on Castle Park, Lancaster and this was where she met Ted Turner, a widower with a daughter Margaret. They were married in 1948 and had two sons, Brian and Michael. Ted died in 1979.

On returning to Bolton-le-Sands in 1954 Marjorie continued her love of entertainment by producing and performing concerts and pantomimes for the Congregational Church and the Women's Institute. She was also secretary of the URC Women's Guild for many years.

Marjorie was also a member of the WRVS which included helping at the village Baby Clinic and delivering Meals on Wheels.

Marjorie remains cheerful and has a smile for everyone, especially her grandchildren and great grandchildren. Four great granddaughters provided some entertainment at the party and the WI also performed. The great granddaughters finished by performing 'Bring me Sunshine'. By all the happy faces at the party, both family and friends, Marjorie has brought a lot of sunshine.

## Afternoon Tea, 16 July

On a lovely sunny afternoon we welcomed a party of forty-seven asylum seekers plus helpers from Manchester. Liz Kam, Yolande and John Burns' daughter, is a Church Related Community Worker and she arranged for the group to visit the area for the day. They had travelled to Silverdale where there were activities and a barbecue lunch hosted by our friends from Hest Bank U.R.C. At 4.30 pm the coach arrived and we greeted the visitors to share in an afternoon tea of scones and cakes with fruit juice, tea or coffee. The party, which comprised of all ages, were very friendly and appreciated the hospitality they had received. Thanks go to those who helped with preparing the hall for this occasion and Margaret Carter and friends for organising the food.

## Coach trip to Blackpool

A joint church (Bolton-le-Sands, Hest Bank and Halton URCs) family coach trip to Blackpool has been arranged for **Saturday 10 September**. Cost £10, leaving at 9.30am on the road outside the URC, and returning around 6.30pm. Anyone interested in going, please contact **Margaret Carter on 01524 823013**.

## Parish Discussion Groups

We will continue to meet each month on a Sunday evening to work through the "Evangelium" booklet which examines the meaning of many aspects of our faith. As we near the end of the holiday season the dates of meetings still have to be announced. The discussion will, as always, be led by **Fr John** and **Paul Bates** and will be presented through the use of a DVD with many illustrations of early classical artists to guide us. It will surely be an interesting hour.

## Catholic Women's Guild

The Bolton-le-Sands branch of the CWL had the annual outing on **Tuesday 5th July**. Members visited Swarthmore Hall, near Ulverston, which is where the Quaker (Friends) movement started in the 17th century. On entering the house, you find yourself virtually stepping back to the 17th century. The furniture is all from that period. Much of it is original, and visitors are allowed to sit in the long wooden chairs in the main room. It is possible to have a guide, but you can be issued with a very small but efficient recording machine with earphones, which is easy to use. It tells the history of the Hall, its owners and the establishment of the Quaker movement as you go from room to room. There is a small garden with a seating area, and a very pleasant cafe where refreshments may be bought and enjoyed - and we did! The weather was kind, and a very enjoyable day was had by all. The next CWL meeting is a Games Evening in the church hall on **Tuesday September 6th**.

The next 'Lectio Divina' will be held in the Hall at St Mary's Yealand on **Tuesday 6th September** at 2.00pm.

The bumper CAFOD Autumn Fair will be held in the Catholic Hall, Kellet Road, Carnforth, on **Saturday 1st October**, and we are appealing for costume jewellery, prizes etc - please phone **Pat Fuller** (745722) if you have anything that we can sell. We have just received a letter from CAFOD Office of thank us for the £5000 sent in July. This money is to help support the **Ana Manganaro Clinic in Guarjila**, El Savadore. This clinic serves 16,500 people across eight communities, and does sterling work.

## And to Finish:

### Job interview

Interviewer:	"What would you consider to be your greatest weakness?"
Applicant:	"I'm too honest."
Interviewer:	"Honest! I don't see that as a weakness."
Applicant:	"I don't give a monkey's what you think."

The class was having a drawing lesson and the teacher asked a little girl what she was drawing. The girl replied "I'm drawing God." The teacher said "But no one knows what God looks like." The girl replied, "They will at the end of this lesson!"

Teacher told her class about whales and explained that they are absolutely enormous but they only eat small fish and other minute sea animals.

A little boy interrupted	"the class had been told that Jonah was swallowed by a whale."
Teacher, irritated, said	"it was not really true."
Little boy said	"when I get to heaven he will ask Jonah."
Teacher said	"Jonah might have gone to hell."
Little boy said	"Well you ask him then."

## INSPIRING WOMEN

### Bolton-le-Sands WI

The Bolton-le- Sands WI meeting for July was at BLS Village Hall at 7.15pm **Tuesday 12th July 2016**. Hazel Short (President) welcomed 73 members and gave thanks to ladies who were helping on the evening. She reported on a recent outing to Blackburn Cathedral & Oswaldtwistle Mill and a Health Festival held at Carnforth. Both were successful and enjoyable and organisers and helpers were thanked personally. As next month is a Social Event, the twenty three July and August birthdays were each acknowledged.

**Jean Dennis** (Secretary) read out information from LFWI about a forthcoming Lancashire Course at Denman College in March 2017 and a day trip to Liverpool in September 2016. Further details were put up on the screen for members to view. The various leaders of the Interest and Activity Groups reported on their events and again each was accompanied by illustrations and text on the screen.

Next came the speaker, **Matthew Brown**, who is the House Steward at Sizergh. His illustrated talk was called 'Behind the Scenes at Sizergh'. Over the last five years he had worked his way up from the bottom and now has responsibility for staff and 160 volunteers. Jokingly he described himself as a 'Dog's Body'. Sizergh is National Trust but also with the Strickland family in residence.

The Conservation Performance Indicators have moved upwards since 2014 and there are new Partnerships with Lancaster University and UCLAN with the bonus of involving students in various projects. Conservation in Action for children is hands on and now takes place in front of visitors. Sizergh had 75,000 visitors to the House and 100,000 to the outbuildings, grounds and gardens. It is open to the public 8 months of the year with the remaining four months dedicated to predominantly maintenance. 'Deep clean time', as Matthew described it. It was absolutely fascinating watching and hearing how they dealt with so many massive challenges. As well as general high level dirt there were issues of damp, mould, floods and infestations to address. One which particularly stood out was the challenge of mould and damp on the enormous wall mounted tapestries.

Another task was organising a Salvage Day where all the Sizergh Team rehearsed roles and procedures in case of a serious fire or major incident. In respect of everything, their innovation and dedication as a team to deal with so many massive issues was just remarkable. Forward planning and upcoming projects would involve improved lighting as a priority and fresh flowers from the gardens instead of sad rather faded artificial arrangements. A truly eye opening and interesting presentation. The vote of thanks was given by **Kath Ion**.

In members' time Hazel welcomed **Julie Caton** from Bare WI who had travelled to Brighton as our delegate at the WI Annual General Meeting. The date coincided with the Queen's 90th Birthday. The two resolutions were debated and passed. In the morning the speaker was **Baroness D'Souza**, Speaker of the House of Lords, and in the afternoon **Rona Fairhead**, Chairman of the BBC Trust. To finish was a 'mini' Prom. It consisted of a professional singer and brass ensemble. With audience participation and flag waving it was an appropriate way to end the day. Judith's account was very informative with several really good touches of humour.

The July competition was for 'A Coat of Arms' which was judged by **Matthew Brown** and won by **Sheila Hunt**. The evening closed with the singing of the National Anthem.

The Bolton-le-Sands WI Social Event was held at the BLS Village Hall at 7.15pm on **Tuesday 9th August 2016**. The Village Hall was set out with stage and walkway aligned with softening potted plants. As members gathered on a lovely summer evening, they were welcomed with a large glass of Pimm's laced with strawberries, mint and cucumber or a cup of tea with a homemade shortbread. What a nice start to the WI Fashion Show Social Event!

**Hazel Short** (President) welcomed members and their guests. After a few official WI notices the fashion show began. Hazel introduced **Caroline Charnley** from Kitty Brown Boutique in Carnforth. Caroline began with an interactive challenge by handing out numerous scarves amongst the audience. We had a demonstration in how to arrange an ordinary scarf in various ways to make it look different and special. Doing it seemed easy at the time. It was such good fun and a nice way to start.

The fashion show began. The models for the evening were **Joyce Bond**, **Joan Buckley**, **Brenda Wood** and **Angela Buck**, who are all BLS WI members. They wore lovely varied outfits for all occasions. As well as the clothes each outfit was enhanced with matching jewellery, watches, handbags and scarves. All the models did us proud and walked the catwalk like true professionals.

After the show there was time to mingle and chat with an opportunity to look at the various stalls and rails. A memorable and enjoyable evening.

We are keen to include news of any events taking place within the village, and to celebrate the many successes of all who live and work here. We welcome articles for publication in THE MESSENGER where these articles concern activities and events which are of interest to our community. We regret that we do not have space to publish individual letters to the Editor, and we are unable to publish articles which are sent in anonymously. The deadline for receiving articles is 20th of the month. Articles can be sent by email to [htmessenger@hotmail.co.uk](mailto:htmessenger@hotmail.co.uk) or by hand/post to 30 Slyne Road, Bolton-le-Sands.
