Reflection on Refugees

Amnesty International reports that in 2019, more than two-thirds of all refugees came from just five countries: Syria, Venezuela, Afghanistan, South Sudan and Myanmar.

Syria has been the main country of origin for refugees since 2014 and at the end of 2019, there were 6.6 million Syrian refugees hosted by 126 countries worldwide.

In 2019, only half a per cent of the world's refugees were resettled. Over the past decade, just over 1 million refugees were resettled, compared to 3.9 million refugees who returned to their country.

Wealthier countries aren't doing nearly enough to share the cost of protecting people who have left everything behind. Appeals for humanitarian assistance for refugees are consistently – and often severely – underfunded.

In short, the world urgently needs a new, global plan based on genuine international cooperation and a meaningful and fair sharing of responsibilities.

Prayer for Refugees

Lord of the journey, we ask for your protection on all who have fled their homes.

Give them strength on their journeys and grant that they may find places of compassion at which to rest.

Ease their fear as they throw in their lot with strangers and keep alive their vision of finding a secure and welcoming home.

Amen.

'ENOUGH IS ENOUGH!' THE ROHINGYA REFUGEE CRISIS

To mark World Refugee Day tens of thousands of Rohingya refugees in Bangladesh staged demonstrations (the Bari Cholo' or 'Let's go home' campaign) to demand repatriation back to Myanmar. Most have had to flee a brutal military crackdown in Myanmar. People came out despite a ban on rallies since 2019.

Almost a million Rohingya are confined to bamboo and tarpaulin shacks in thirty-four unsanitary, inadequate camps. They have no work, poor sanitation, and little access to education.

"We don't want to stay in the camps. Being refugees is not easy. It's hell. Enough is enough. Let's go home," Rohingya community leader Sayed Ullah said in a speech at one rally.

More than 890,000 Rohingya refugees are sheltering in Bangladesh's Cox's Bazar region, the biggest cluster of refugee camps in the world.

About 92,000 Rohingya refugees reside in Thailand, 21,000 in India, and 102,000 in Malaysia. The Rohingya also make up a portion of Myanmar's 576,000 internally displaced people.

Please pray for an end to the brutal suppression of the Rohingya people so that a speedy and safe return of refugees might be possible. Thank you for your continued support through Commitment for Life for the work of our partners in the region.
