Carnforth Memory Support Group meet on the second Monday afternoon of each month and offer informal support for carers of and anyone living with memory issues. All are welcome to come along, share experiences, meet new people, and access information.

Each month we try to invite along a guest speaker to share information about a relevant and interesting topic.

In November we're holding a special games afternoon with tea and cake, supported by Lancaster's Fire Cadets. Please spread the word, we'd love to see our regular attendees and new faces alike.
